CLIENT CONSENT

Thank you for your continued trust in our salon. As with the transmission of any communicable disease like a cold or the flu, you may be exposed to COVID-19 also known as "Coronavirus," at anytime or in any place. Be assured that we continue to follow state and federal regulations, and are using recommended universal personal protective equipment (PPE) and disinfection protocols to limit transmission of all diseases in our salon.

Despite our careful attention to sterilization, disinfection and the use of personal barriers, there is still a chance that you could be exposed to an illness in our salon, just as you could be exposed in the grocery store, gym, or favorite restaurant. Nationwide social distancing has reduced the transmission of COVID-19. Although we have taken measures to enable social distancing in our salon, due to the nature of the services we provide, it is not possible to maintain social distancing between our salon staff and our clients.
